OBJECTIVES

Electronics and Communication Engineering graduate with a strong interest in software development and hands-on experience in Java, SQL, and basic web technologies. Developed a Java-based MVC application using JDBC and MySQL, demonstrating practical backend development skills. Seeking an entry-level Java Developer role to apply and grow in backend technologies.

TECHNICAL SKILLS

Programming: Java
Frameworks: Spring Boot, Spring MVC
Database: MySQL
Core Concepts: OOP, Exception Handling, JDBC, Collections
Web Technologies: HTML, CSS
Tools & Tools: Maven, IntelliJ IDEA, Git, MySQL Workbench

PROJECTS

Bike Rental Management System (Java, JDBC, MySQL, MVC)

- Developed a console-based application using Java with MVC architecture
- Implemented rental, return, and search functionalities with database integration using JDBC
- Applied OOP principles for modular and maintainable code
- Git - <https://github.com/akash-0905/Bike-Rental-Management-System.git>

Inventory-Management-System(Java, JDBC, Spring Boot, Maven, git)

- Built backend architecture using Spring Boot and REST APIs.
- Connected MySQL database using Spring Data JPA.
- Managed project using Maven, Git, and GitHub.
- Performed API testing using Postman.
- Git - <https://github.com/akash-0905/nventory-management-system.git>

Crizus Anarok Defender (Safety Jacket System)

- Developed a safety jacket with buoyant/auto-inflatable mechanism for emergency situations
- Ensured user safety by maintaining a stable floating position

Hazarder Buzzer System

- Built a hazard detection system using sensors with buzzer-based alert mechanism
- Enhanced safety by providing immediate alerts in critical conditions.

EDUCATION

BE - 2022 - 2026: Electronics and Communication Engineering

from Panimalar Engineering College with **74.4%**

SSLC - 2019 - 2020: Petit Seminarie Higher Secondary School with **61.1%**.

HSC - 2021 - 2022: Petit Seminarie Higher Secondary School with **73%**.

CERTIFICATIONS

Basics of JAVA, OOP in Java,
Introduction to SQL Database.

ACHIEVEMENT

Runner Up in Inter College Competition in Project Expo (Crizus Defender Anarok).
